

NSU University School **Preschool Supply List**

- Nap/Rest-time Essentials (for full-day students only) - Bedding (child-size nap mat with blanket and pillow all in one) in an extra-large labelled Ziploc bag (or similar). Children will nap/rest on school-supplied mats that are cleaned daily. Children will be allowed to bring one small lovey that can be used only during naptime (this should be a small stuffed animal and NOT a toy). Please do not bring sentimental loveys or stuffed animals in case they get lost. We will send the nap mat home every Friday for you to wash.
- Diapers and diaper wipes (if appropriate) – Staff will let you know when supplies are low.
- Two changes of clothes in a labelled Ziploc bag
- Parents will also be required to pack a nutritious lunch and one mid-morning snack and an afternoon snack (for full day students) each day. A child’s lunch box should contain a thermos (to keep prepared food warm), icepack (to keep items cold), and utensils (spoon and/or a fork). We do not heat or refrigerate foods. We are a nut-sensitive school, therefore, please do not pack lunch or snack items that contain nuts.
- A refillable insulated, non-breakable water bottle
- Please label EVERYTHING with your child’s name.
