NSU University School serves as a TEST CENTER for the Secondary School Admission Test (SSAT) with the option to test on an Alternate Flex Date (weekdays). The SSAT is exactly the same regardless of test date. The advantage for applicants to take the SSAT on an Alternate Flex Date is the opportunity to tour the school as well as complete the Student Interview at the conclusion of the test.

\*Saturday Standard SSAT testing dates are available at local and international testing sites- Please note that the school tour and student interview, live or via Skype, will be scheduled on a separate date for NSU University School applicants.
